

Beknopte lijst van interessante flamingopublicaties

door Joop Treep, 2007, 2009, 2012

Deze lijst werd gepubliceerd op de webpagina "Flamingo's in Nederland" www.flamingosinnederland.info.

Deze selectie is een persoonlijke voorkeur en doet daarom niets af aan de belangrijkheid van andere publicaties. De lijst zal in de toekomst worden aangevuld. Lezers die meer informatie willen over specifiekere flamingo-onderwerpen kunnen zich altijd wenden tot de schrijver. De schrijver wordt op zijn beurt graag geïnformeerd over publicaties, met name publicaties over de flamingo's in Noordwest Europa uit het "grijze" circuit.
